

Item Number: 7470

Item Name: Professional Grade Animal Scale

Product Dimensions:

19 ¾" (D)x35 ½" (W)x1 ¼" (H)

Weight: 13 lbs.

UPC: 027061219158

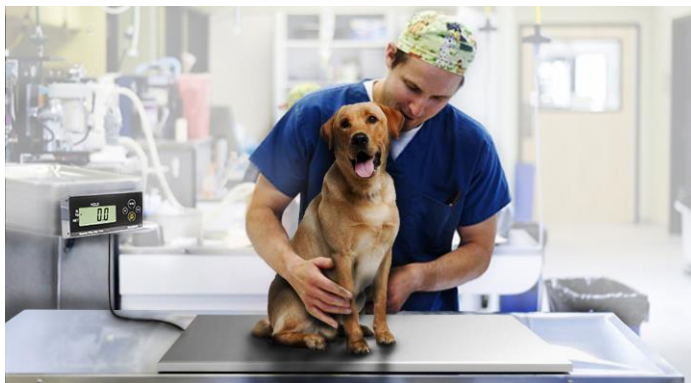

Carton Dimensions:

24" (D)x41" (W)x3" (H)

Cube: 1 ¾ ft

Weight: 17 lbs.

Serious breeders, professional groomers, mobile service providers, or for the concerned pet owner and community rescue services, it is important to understand how critical weight is an indicator of animal health and well-being. Reliable scales supplied Redmon Since 1883 offer the tools to monitor weight effectively. Easily monitor an animal's weight using precision digital scales by Redmon Since 1883 (variety of models available to weigh up to 400 pounds) with large digital readouts (lbs or kg). See the numerous features of each model to fit the appropriate application. Some models also have a convenient durable carry bag (sold separately) for storage and/or providing a valued service in the field, house visits, and events.
